DEAR FRIENDS

A few years ago, I came across a quote that really made me think about my life's journey. The words are those of Luciano DeCrescenzo, an Italian writer born in 1928. His words speak volumes, not only of my family's survival, but of the development and growth of our Fund. Simply stated: "We are all of us angels with only one wing, and we can only fly by embracing each other."

It is with an overwhelming sense of gratitude that I thank you for celebrating the 50th Anniversary of the Kelly Anne Dolan Memorial Fund with us. It has taken thousands of volunteers, donors, organizations, schools, corporations, foundations, small businesses, and church groups to maintain our mission.

We've managed to advocate for the families we serve through local, national, and even international media; television, radio, newspapers, magazines, and healthcare journals, resulting in accolades from as far away as Honolulu and Dublin Ireland. Our work has been applauded and recognized with national and local awards - thanks to our partners and friends like you.

No one goes through the serious or terminal illness of a child alone. So many friends, neighbors, strangers, and family members supported us greatly in many generous and kind ways. Because of them and hundreds of "unseen" blood donors a deep sense of gratitude formed the core of our mission.

How lucky am I to be able to confidently step aside from the helm of our organization and leave it in the capable hands of Danielle Scott Griffith, our executive director. who has her own remarkable experience in this field and 15 years' experience at the Fund. Her vibrant and enthusiastic team who have worked feverishly to make tonight's celebration a huge success include, Linda Bean, Lauren Van Buren, and Thomas Hart. I could not be prouder or more appreciative to have them on board.

You see, it has taken many angels and many wings to make us fly. Thank you so much for being a part of our "flight". I hope you're on board for the next 50 years!!

Much love and gratitude,

Peggy Dolan

CELEBRATING OUR HONOREES

DARA NAPPEN KING
FELLOWSHIP AWARD HONOREE

Dara Nappen King is a longtime friend and devoted volunteer of the Kelly Anne Dolan Memorial Fund. As a talented photographer, Dara generously donates her time and expertise to capture the special moments at our events, helping us preserve the memories and stories that are so important to our organization.

Dara's commitment to giving back extends well beyond photography. She has dedicated her time and talents to supporting charitable organizations and is always willing to lend a helping hand. Her generosity, kindness, and genuine passion for helping others have made her an invaluable part of the Dolan Fund family.

We are incredibly grateful for the many ways Dara supports our mission and the families we serve. It is our honor to recognize her with the Fellowship Award for her dedication, generosity, and continued commitment to the Kelly Anne Dolan Memorial Fund.

CELEBRATING OUR HONOREES

LINDA BEAN
FOUNDERS AWARD HONOREE

For the past 11 years, Linda Bean has been an extraordinary member of the Kelly Anne Dolan Memorial Fund family. With more than 30 years of experience in human services and nonprofit work, Linda has dedicated her career to helping others and building stronger communities.

As Community Engagement Manager, Linda has been instrumental in developing community partnerships, supporting volunteers, coordinating third-party fundraisers, and connecting families with valuable resources. Her passion for the Dolan Fund's mission is deeply personal, shaped by her own experience caring for her son, Jake, following a catastrophic automobile accident at age 17.

Linda's compassion, advocacy, and unwavering commitment to families have made an immeasurable impact on the Fund. She is a passionate advocate for neurodiversity inclusion and continually reminds those around her of the incredible difference that kindness and community can make during life's most difficult moments.

Linda's dedication, warmth, and belief in the power of helping others embody the very spirit of the Kelly Anne Dolan Memorial Fund. We are honored to present Linda Bean with the Founders Award in grateful recognition of her 11 years of service, compassion, and commitment to the families we are privileged to serve.

CELEBRATING OUR HONOREES

BRYNN JOHNSTON
COMPASSIONATE CARE AWARD

As a mother of a child with a disability, Brynn Johnston understands firsthand how important access to specialized equipment can be for children and families. That experience inspired her to find ways to help others facing similar challenges.

After meeting Mary Berlin through Easterseals, Brynn began asking therapists what equipment their students needed. She started sourcing, cleaning, repairing, and donating equipment to schools. Her efforts soon expanded when she helped a Children's Hospital of Philadelphia caseworker find a specialized bike for a child whose family had no insurance coverage. Brynn turned her garage into a small "shop" and began collecting and restoring more adaptive equipment.

Through her longstanding connection with the Kelly Anne Dolan Memorial Fund, Brynn became one of the early supporters of exchangeABLE, donating some of the program's first equipment and helping demonstrate the tremendous need for accessible, affordable adaptive equipment.

We are honored to recognize Brynn with the Compassionate Care Award for her compassion, generosity, and commitment to making a difference in the lives of children and families.
